

## Let's Fight Hunger with Manna

Your \$8.00 donation will provide a safely packed "To Go" meal to someone in need.

With your \$40.00 donation to provide 5 meals, Our Towne will donate a 6<sup>th</sup> meal on your behalf.

It is an eye-opening experience to take a trip to Manna on Main Street in Lansdale. As you can possibly imagine, visits today are highly structured with strict safety protocols.

On my most recent visit, I was moved by the passion and commitment of the staff - like Chef Lisa, who was visibly touched, even behind a mask, when she received a donation. She said to me, "This is why I do this."

Manna is committed to ending hunger in our local community and region. There is a definite need and your donation is like hitting a home run! I can assure you that your gesture fights hunger and is much appreciated!

Sincerely,  
Bill Keucher
